CLERK: Roll Call vote taken. See Pages 524 and 525, Journal.

SPEAKER: Senator Cavanaugh, for what purpose do you arise?

CLERK: Senator Cavanaugh voting no. Mr. President, 30 ayes, 18 nays, 1 not voting.

SPEAKER: I declare the Constitutional amendment passed. The Chair will entertain a motion that we raise the Call. Senator Stull moved to raise the Call. Have you all voted? The Clerk shall record.

CLERK: 37 ayes, 0 nays to raise the Call.

SPEAKER: The Call has been raised. LB 130 on Final Reading.

CLERK: LB 130. Final Reading.

SENATOR SWIGART: I rise to see if there is anything against going ahead and passing this. If you recall, the other day Senator Cavanaugh asked to have it bracketed until today but I did ask one of our City Attorneys to call him over the weekend and I think he has discussed it with him and I hope satisfactorily.

SPEAKER: Senator Swigart, you are out of order. We are on Final Reading. We must take the vote.

CLERK: I move to return LB 77 to Select File for a specific amendment. Signed Senator DeCamp.

SPEAKER: Senator Goodrich, for what purpose do you arise?

SENATOR GOODRICH: Mr. President, this is my bill and Senator DeCamp just talked to me a couple of minutes ago. I am going to suggest that we leave this bill right where it is now until I get a chance to apply the amendment and see what it is. I still, after asking for it, have not even received the copy of the Attorney General's opinion and I am going to suggest that we not take up this action today but that we leave it just like it is. We will skip over it as far as Final Reading is concerned. I get a chance to apply the amendment, make sure of what it does, then we can discuss it.

SPEAKER: Senator DeCamp.

SENATOR DeCAMP: Mr. President, members of the Legislature, this is absolutely fine with me and I am glad that Senator Goodrich does now agree to bracket it until we can get it corrected. As you recall, he was concerned about our not passing it last time and I am happy to see that he is of this mood now.
